Ibrahim Almojel

Country: Saudi Arabia

University: Stanford University

Antonio Andreoni

Country: Italy

University: Cambridge University

Current research: Development and underdevelopment

Emanuele Aurora

Country: Italy

University: 'Parthenope' University (Naples)

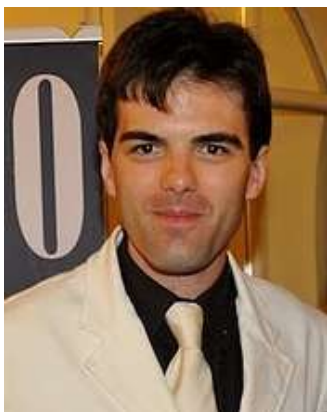

Federica Ballauri

Country: Italy

University: Università degli Studi di Torino

Edoardo Beretta

Country: Italy

University: Università della Svizzera Italiana

Current research: International monetary macroeconomic aspects

Zhiming Cheng

Country: China

University: University of Wollongong

Rebekka Christopoulou

Country: Greece

University: Cornell University

Current research: Areas: Population economics; Labor economics; Health economics; Demography; Public Health; Applied econometrics. Topics: Youth; Wage inequality; International migration; Smoking

Iuliana-Marina Cindea

Country: Romania

University: University of Iasi

Current research: Reconsideration of the optimal currency area criteria (case study – Euro zone)

Lubomir Cingl

Country: Czech Republic

University: Charles University in Prague

Current research: Experimental economics

Gianmaria Cogno

Country: Italy

University: Università degli studi di Siena

Alexandra Mihaela Constantin

Country: Romania

University: University of Iasi

Current research: Non-Renewable Resources in Economic Philosophy and Sustainable Development Policy

Ana Maria Cretu

Country: Romania

University: University of Bergamo

Agon Dula

Country: Republic of Kosovo

University: Public University of Prizren

Current research: Impact of Partnerships and Networking on firm Innovation performance and the business development.

Giovanni Esposito

Country: Italy

University: Seconda Università degli Studi di Napoli

Dasa Farcnik

Country: Slovenia

University: University of Ljubljana

Current research: about School-to-work transition of higher education graduates

Freeha Fatima

Country: Pakistan

University: Cornell University

Current research: Labour market policies and their impact on key labour market outcomes.

Anita Frajman Jaksic

Country: Croatia

University: University of Ljubljana

Current research: Economics of happiness: theoretical overview and empirical analysis

Luca Figallo

Country: Italy

University: Assagenti di Genova

Andrea Fornoni

Country: Italy

University: Bocconi University

Giuseppe Gambino

Country: Italy

University: Bocconi Graduate School

Current research: Applied Economics (Data gathering Real Estate Economics issues and topics – REITS, NPL); Economic History (Commodities prices and their influence on economics turn downs)

Fiseha Haile Gebregziabher

Country: Ethiopia

University: University of Copenhagen

Current research: Effectiveness of foreign aid in promoting economic growth

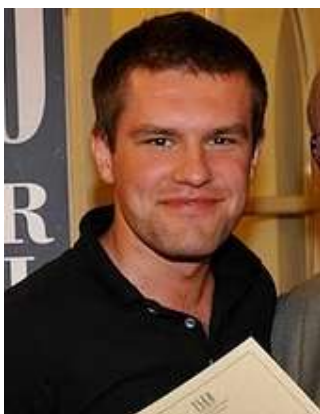

Alessandro Giuli Rosselmini Gualandi

Country: Italy

University: University of Reading

Roman Goroneskul

Country: Ukraine

University: Kiev National Economic University

Elvira Hajiyeva

Country: Azerbaijan

University: Azerbaijan State Economic University

Andreu Honzawa Puig

Country: Spain

University: Universitat Pompeu Fabra

Current research: Institutional policy analysis on the Spanish health system; Impact of current financial crisis on child poverty in Spain.

Fabrizio Honisch

Country: Italy

University: Università degli studi di Pavia

Andrei Hrebenciuc

Country: Romania

University: Bucharest Academy of Economic Studies

Current research: Economic Policy Coordination in the European Union

Perihan Iren

Country: Turkey

University: Zayed University

Current research: Information Disclosure and Banking Sector Performance and Stability; Banking Transparency; Green Energy Financing; Determinants of Interbank Lending

Khalichakhon Ishankhanova

Country: Tajikistan

University: Tajik National University

Current research: Leasing as a financing tool for businesses in economies in transition

Ewa Jarosz

Country: Poland

University: Polish Academy of Sciences

Current research: Migration, Media issues, Innovativeness and ritualism

Majlinda Joxhe

Country: Albania

University: University of Rome “Tor Vergata”

Current research: Labor Migration, Return Migration and the Effects of Immigration on the Labor Market.

Veerayooth Kanchoochat

Country: Thailand

University: Cambridge University

Current research: Origin and persistence of institutions arguably required for economic development

Erdal Kaplan

Country: Switzerland

University: Graduate Institute of International and Development Studies, Geneva

Current research: Welfare implications of international migration in the host country

Kassymkhan Kapparov

Country: Kazakhstan

University: Yokohama National University

Current research: Pension system.

Yoonho Kim (Han)

Country: South Korea

University: University of Wisconsin

Current research: Economic Impact of U.S. Cooperatives project

Aleksander Kloda

Country: Poland

University: London School of Economics

Current research: Sustainability of economic growth models in Central and Eastern Europe in the light of current account and fiscal deficits

Grzegorz Konat

Country: Poland

University: Warsaw School of Economics

Current research: Post-Keynesian thought and the theories of social justice - macroeconomic aspects and implications for economic policy; The effects of using Free and Open Source software on the competitiveness of Polish enterprises; Trade-Led Economic Growth or Growth-Driven Foreign Trade? Toda and Yamamoto Granger Causality Tests for Spain

Pimpon Kongpool

Country: Thailand

University: Jonkoping University

Current research: Effect of Search Cost on the Labour Market Integration in the intra-EU

Renata Korsakiene

Country: Lithuania

University: Vilnius Gediminas technical university

Current research: Human resource management, internationalization and change management issues in organizations.

Burcu Kucukkeles

Country: Turkey

University: Bogazici University

Current research: Simulation of Greeks of financial

Jelena Lausev

Country: Serbia

University: Belgrade University

Current research: Pay Compression: The Role of Public Sector; Public-Private Sector Wage Differentials in Transition Economies; Financial Crisis Effects on Public Sector Pay Around the World

Rune Vammen Lesner

Country: Denmark

University: Aarhus University

Current research: State dependency on the labor market: Evidence from Denmark; The Gender Wage Gap: The Role of Maternity Leave and Human Capital; The Dynamics of Social Assistance Receipt

Nicolas Alejandro Lillo Bustos

Country: Chile

University: Oxford University

Francesco Lissignoli

Country: Italy

University: University of Brescia

Carlos Enrique Lopez-Gomez

Country: Mexico

University: Cambridge University

Current research: Industrial policy making in various countries

Omar Abdulkareem Mahmood El-Joumayle

Country: Iraq

University: University of Baghdad

Arturo Matute

Country: Guatemala

University: Universidad del Valle de Guatemala

Current research: Development and inequality (mainly economic) in Guatemala

Riccardo Mazzoni

Country: Italy

University: Università degli Studi di Roma Tre

Nikica Mojsoska-Blazevski

Country: Macedonia

University: University American College – Skopje

Current research: Labour cost effect on Employment in Macedonia

Andrea Miglio

Country: Italy

University: Bocconi University

Current research: New assets of management products

Ligia Andreea Munteanu

Country: Romania

University: University of Iasi

Current research: Institution of Free Market in the Dynamics of Economic Development

Dominik Nagly

Country: Poland

University: London School of Economics

Current research: the credit channel of monetary transmission in the housing markets in Central and Eastern Europe

Zdenka Obuljen

Country: Croatia

University: University of Zagreb

Chiara Orsenigo

Country: Italy

University: Università Cattolica del Sacro Cuore, Milan

Isabel Andrea Ortiz Jiménez

Country: Bolivia

University: University of Geneva

Current research: Determinants of the Activity Condition of adolescents and young people in Bolivia; A demographic and economic analysis of a developing country (Bolivia) and a developed country: Spain.

Michel van Oorschot

Country: Netherland

University: Erasmus Universiteit Rotterdam

Current research: Fixed Income (bond) investment team

Ahmed Oulad El Fakir

Country: Moroccan

University: National Institute of Statistics and Applied Economics

Current research: Comparison between Effective GDP and the full-employment GDP

Shwetha Reddy

Country: India

University: University of Mumbai

Maria Natalia Pacheco Rodrigues

Country: Bolivia

University: Graduate Institute of International and Development Studies

Current research: Analyse of R&D policy in South Korea in the 60's and 70's; Research about the impact of Fair Trade on Economic Development in South America.

Uros Petronijevic

Country: Canada

University: University of Toronto

Current research: Labour market performance of the children of Canadian immigrants and other native citizens

Marco Piria

Country: Italy

University: Università Cattolica Del Sacro Cuore, Piacenza

Zhiheng Png

Country: Singapore

University: London School of Economics and Political Science

Current research: two-sided markets, in particular applied to newspaper market in the United Kingdom.

Jan Prusa

Country: Czech Republic

University: Cambridge University

Current research: Dynamic economic efficiency in firms and on entrepreneurship

Michal Putna

Country: Czech Republic

University: Masaryk University

Current research: Economics of Poverty

Riku Rastas

Country: Finland

University: Lappeenranta University of Technology

Christopher Redl

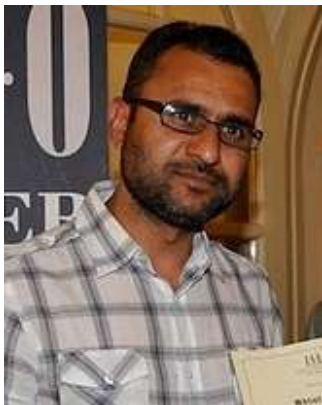

Country: South Africa

University: London School of Economics of Political Science

Current research: Policies for improving macroeconomic stability in South Africa with special attention to open economy issues such as capital flows and exchange rate volatility

Abdul Rehman

Country: Pakistan

University: University of East Anglia

Current research: International migration and remittances in Pakistan

University: Georgian State Agrarian University

Current research: Social-economical problems of agriculture, their overcoming ways and perspectives of development

Reinhard Schiel

Country: South of Africa

University: University of Cape Town

Current research: how Bride Price effects the human capital formation and nutrition of children from families

Claudia Schwarz

Country: Germany

University: Johann Wolfgang Goethe University

Current research: Financial development, economic growth, econometrics

Teresa Sbano

Country: Italy

University: University of Perugia

Silvia Di Silvio

Country: Italy

University: Università di Roma “La Sapienza”

Khilola Suleymanova

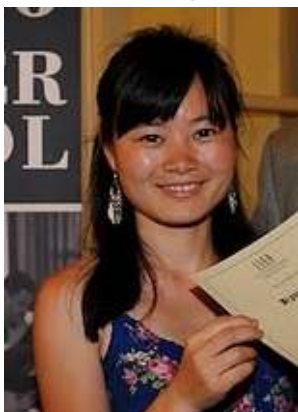

Country: Uzbekistan

University: University of World Economy and Diplomacy

Current research: Research on Logistics and Supply Chain development in Central Asia Region

Biyan Tang

Country: China

University: University of Kansas

Tascha Terblanche

Country: South Africa

University: University of Cape Town

Taylor William Termes

Country: Canada

University: London School of Economics

Current research: Industrial economics

Christine Tewfik

Country: Canada

University: University of Toronto

Current research: Macroeconomic approach to poverty reduction, Macroeconomic impacts of climate change

Anupam Thakuria

Country: India

University: Gauhati University

Current research: Poverty, development and financial integration.

Anja Tolonen

Country: Sweden

University: University of Gothenburg

Current research: Macroeconomics and Econometrics

Iva Tomic

Country: Croatia

University: University of Ljubljana

Current research: Labour market

Manuela Tvaronaviciene

Country: Lithuania

University: : The General Jonas Zemaitis Military Academy of Lithuania

Current research: Research on factors impacting economic growth, sustainable development

Gaetano Vicidomini

Country: Italy

University: Bocconi University

Yulia Vymyatnina

Country: Russia

University: European University at St.Petersburg

Current research: Monetary policy, income and health
